

Rental contract for Hilti Hammer drill

- The hammer drill is to be returned in the same shape as it was collected in.
- The borrower is responsible for all parts being returned.
- If any part is damaged as the result of handling errors, the borrower may become liable.
- Parts damaged or broken due to wear will not make the borrower liable.
- Lending the hammer drill second hand is strictly forbidden.
- The hammer drill should be returned to XP's office at the latest 12:15 PM the following workday

Failure to follow aforementioned rules may make the borrower liable, or in case of coarser rule violations may compromise future possibilities to borrow the hammerdrill.
